

35th Biennial Western Coatings Societies Symposium & Show

October 17-20, 2021

PARIS Las Vegas Conference Center

Las Vegas, Nevada

Dear Exhibitor,

On behalf of the Western Coatings Symposium Board, I would like to thank you for participating in the 35th Biennial Western Coatings Symposium and supporting the paint and coatings industry on the west coast. We, on the WCS board, are dedicated to making sure you have a successful and productive show. To make your show experience even more successful, we have put together a quick reference guide, as well as a portfolio of services, that you may want to take advantage of. You will find information on these services on the following pages.

When designing your Table Top for the show, please consider these guidelines:

- All exhibits should be confined to the tabletop(s) - width, depth and height (not exceeding the backdrop height) of the exhibit space(s). This includes company logos or signage extending above the height of the black curtain.
- Stand-alone exhibits, placed either on the tabletop OR separate from the tabletop OR in lieu of a tabletop, are permitted as long as they do not exceed the width, depth and height (of the backdrop) and do not impede traffic in the aisle. Your space does not include the aisle and must remain behind the separation curtains.
- A maximum of two tables, or tabletop spaces, may be combined regardless of how many tabletop spaces are purchased.
- All exceptions to these basic rules must be brought to the attention of the WCS Committee for review and approval.

For Security Purposes: The Exhibits will close promptly at the times stated and everyone must leave the floor and will not be allowed back in the Exhibit Hall until the next opening.

Additionally, we ask that exhibitors not plan off-site attendee events during symposium hours.

These guidelines have been imposed to maintain fairness and balance for all exhibitors, and to provide cost-effective exhibit space. We look forward to seeing you at the 35th Biennial Western Coatings Symposium and Show.

If you have any questions or need assistance with any of your arrangements, don't hesitate to contact me or the Western Coatings office at 714-974-4511.

Sincerely,
Eric Jenkins

Welcome Reception

Sunday, October 17, 2021

6:00 p.m. - 9:00 p.m.

Cromwell Hotel Rooftop
3595 S. Las Vegas Blvd., Las Vegas, Nevada 89109

Join us and enjoy the Roarin' 20's at the Welcome Reception.

Women were adorned in feathered headwear, pearls, and Mary Janes as they kicked up the fringes of their glimmering dresses when they danced. Men in pinstripes and pencil-thin mustaches sipped cocktails and smoked fine cigars in spite of nationwide alcohol bans. Come as a flapper or come as you are. Dress as a gangster or a silent screen star. (Roaring 20's dress code is entirely optional).

Be a bright young thing (aristocrats and socialites in the '20s) and be seen at the WCS Welcome Reception trendy venue. Enjoy the company of your colleagues and friends while savoring hand-passed hors d'œuvres, delicious food stations, giggle water (open bar) and entertainment.

Our event will be held at Drai's, a vibrant indoor/outdoor venue located 11 stories above the Strip. Experience the phenomenal atmosphere and stunning views.

All WCS attendees, exhibitors and speakers over the age of 21 are welcome to attend!

Get lost in the glitz and glamour of an elegant 1920's soiree.

AVOID DELAY

Ship early to avoid delays. Shipments arriving late at show site will cost you money, time and business!

SAFETY TIPS

Use a ladder, not a chair. Standing on chairs, tables and other rental furniture is unsafe and can cause injury to you or to others. These objects are not designed to support your standing weight.

Be aware of your surroundings. You are in an active work area with changing conditions during move-in and move-out. Pay attention. Look for obstacles, machinery and equipment that are in use.

Keep your eyes open for scooters and forklifts. The drivers of these vehicles may not be able to see you.

Stay clear of dock areas, trucks and trailers. These areas can be particularly dangerous.

Prevent electrical shocks, falling items and damage to materials. Do not attach items or equipment to the drapes or metal framework provided for your booth. This can cause serious injury or damage to materials.

We discourage children from being in the exhibit hall during installation and dismantle. If children are present during installation and dismantle, they must be supervised by an adult at all times.

Freeman does not ship or handle Hazardous Materials. If any materials you are shipping to the event fall into this category, please contact Freeman to be sure the material will be allowed at the facility and by the association. In addition, if authorized by the facility and the association, you will need to make separate arrangements for the transport and handling of the approved materials, since Freeman will not transport or handle them.

The operation or use of all motorized lifts and motorized material handling equipment for installation/dismantle of exhibits is NOT permitted by exhibitors or by their exhibitor appointed contractors (EACs). Thank you for your cooperation.

Call Exhibitor Support at (888) 508-5054 with any questions or needs you may have.

Interested in going green and saving money?

Follow these tips to make sure your sustainable booth strategies are cost-neutral or even cost-saving! Leave an impact on the show floor, not the environment.

1 *booth structure*

Option 1 Multiple Use

Use **Forest Sustainable Certified (FSC)** wood to build your booth and crates.

Get creative! Design your booth with a **small shipping footprint** to minimize carbon emissions. Freeman's eye-catching stretch-fabric booth designs pack up small (and light!) for shipping.

Option 2 One-time Use

Rent locally from nearby Freeman offices to reduce both shipping costs and carbon emissions.

2 *carpet*

Option 1 Rent

Rent rather than buy carpet to save on shipping, cleaning, and storage. Freeman Classic carpet can be reused at least four times.

Option 2 Color

Use darker-colored carpet, which is easier to reuse and recycle. Freeman Classic dark-colored carpets are made of 20-50 percent recycled content.

3 *shipping*

Online + before deadline = better bottom line. Take advantage of early-bird pricing and consolidate shipping when ordering supplies.

Choose reusable shipping padding. Avoid packing peanuts and foam plastic materials that never decompose.

Ship early. Use the 30-day policy to ship materials to the Freeman advance warehouse.

4 *graphics*

Option 1 Multiple Use

Print on a durable substrate **without dates, event names, or locations.**

Option 2 One-time Use

Print on 100 percent recyclable materials like Freeman Honeycomb and Smartbuild Eco, which are just as cost-effective as PVC.

5 *printing*

Reduce printing and **go digital** with your booth literature.

Print locally. Supporting local businesses while reducing shipping? It's a win-win.

Print on at least **50 percent post-consumer recycled paper.**

6

ON SITE

save energy

Use Energy Star-rated equipment for audio-visual equipment and monitors.

Power down. Turn off equipment at the end of each day.

Light up your booth with CFLs, LEDs, or other energy-efficient lighting.

MOVE OUT

train your team

Educate your installation and dismantling teams about **recycling and donation processes**.

8

shipping out

Pack in, pack out.

Leave no traces on show site.

Join a caravan.

If you're shipping directly to another show, ask **Freeman Transportation** about **joining a caravan** to your next show.

leftover materials

5. **All empty cartons or crates must be labeled and removed for storage or they will be removed as trash.** Crates are not to be used as exhibit supports.
6. **All fire hose racks, fire extinguishers, strobe lights and emergency exits must be visible and accessible (3' clearance for hoses and extinguishers) at all times.** This includes fire protection equipment located within exhibits. WHAT ARE FREIGHT SERVICES?

.....

As the official service contractor, Freeman is the exclusive provider of freight services. Material handling includes unloading your exhibit material, storing up to 30 days in advance at the warehouse address, delivering to the booth, the handling of empty containers to and from storage, and removing of material from the booth for reloading onto outbound carriers. It should not be confused with the cost to transport your exhibit material to and from the convention or event. You have two options for shipping your advance freight — either to the warehouse or directly to show site.

HOW DO I SHIP TO THE WAREHOUSE?

- We will accept freight beginning 30 days prior to show move-in.
- To check on your freight arrival, call Exhibitor Services at the location listed on the Quick Facts.
- To ensure timely arrival of your materials at show site, freight should arrive by the deadline date listed on the Quick Facts. Your freight will still be received after the deadline date, but additional charges will be incurred.
- The warehouse will receive shipments Monday through Friday, except holidays. Refer to the Quick Facts for warehouse hours. No appointment is necessary.
- The warehouse will accept crates, cartons, skids, trunks/cases and carpets/pads. Loose or pad-wrapped material must be sent directly to show site.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Shipments received without receipts or freight bills, such as Federal Express and UPS, will be delivered to the booth without guarantee of piece count or condition.
- Certified weight tickets must accompany all shipments.
- Warehouse freight will be delivered to the booth prior to exhibitor set up.

HOW DO I SHIP TO SHOW SITE?

- Freight will be accepted only during exhibitor move-in. Please refer to the Quick Facts for the specific exhibitor move-in dates and times.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Shipments received without receipts or freight bills, such as Federal Express and UPS, will be delivered to the booth without guarantee of piece count or condition.
- Certified weight tickets must accompany all shipments.

WHAT ABOUT PREPAID OR COLLECT SHIPPING CHARGES?

- Collect shipments will be returned to the delivery carrier.
- To ensure that your freight does not arrive collect, mark your bill of lading “prepaid.”
- “Prepaid” designates that the transportation charges will be paid by the exhibitor or a third party.

HOW SHOULD I LABEL MY FREIGHT?

- The label should contain the exhibiting company name, the booth number and the name of the event.
- The specific shipping address for either the warehouse or show site is located on the Quick Facts.

HOW DO I ESTIMATE MY MATERIAL HANDLING CHARGES?

- Charges will be based on the weight of your shipment. Each shipment received is billed individually. All shipments are subject to reweigh.
- On the Material Handling Form, locate the rate that applies to your shipment and multiply that rate by the weight of your shipment in pounds.
- The above services, whether used completely or in part, are offered as a package and the charges will be based on the total inbound weight of the shipment.

WHAT HAPPENS TO MY EMPTY CONTAINERS DURING THE SHOW?

- Pick up “Empty Labels” at the Freeman Service Center. Once the container is completely empty, place a label on each container individually. Labeled empty containers will be picked up periodically and stored in non-accessible storage during the event.
- At the close of the show, the empty containers will be returned to the booth in random order. Depending on the size of the show, this process may take several hours.

HOW DO I PROTECT MY MATERIALS AFTER THEY ARE DELIVERED TO THE SHOW OR BEFORE THEY ARE PICKED UP AFTER THE SHOW?

- Consistent with trade show industry practices, there may be a lapse of time between the delivery of your shipment(s) to your booth and your arrival. The same is true for the outbound phase of the show — the time between your departure and the actual pick-up of your materials. During these times, your materials will be left unattended. We recommend that you arrange for a representative to stay with your materials or that you hire security services to safeguard your materials.

HOW DO I SHIP MY MATERIALS AFTER THE CLOSE OF THE SHOW?

- Each shipment must have a completed Material Handling Agreement in order to ship materials from the show. All pieces must be labeled individually.
- To save time, complete and submit the Outbound Shipping Form in advance, or you may contact the Freeman Service Center at show site for your shipping documents.
- Once we receive your outbound shipping information we will create your Material Handling Agreement and shipping labels. If the shipping information is provided in advance, the Material Handling Agreement will be delivered to your booth with your invoice. Otherwise the Material Handling Agreement and labels will be available for pick up at the Freeman Service Center.
- After materials are packed, labeled, and ready to be shipped, the completed Material Handling Agreement must be turned in at the Freeman Service Center.
- Call your designated carrier with pick-up information. Please refer to the Quick Facts for specific dates, times and address for pick up. In the event your selected carrier fails to show by the final move-out day, your shipment will either be rerouted on Freeman's carrier choice or delivered back to the warehouse at the exhibitor's expense.
- For your convenience, approved show carriers will be on site to book outbound transportation if you have not made arrangements in advance.

WHERE DO I GET A FORKLIFT?

- Forklift orders to install or dismantle your booth after materials are delivered may be ordered in advance or at show site. We recommend that you order in advance to avoid additional charges at show site. Refer to the Rigging Order Form for available equipment.
- Advance and show site orders for equipment and labor will be dispatched once a company representative signs the labor order at the Freeman Service Center.
- Start time is guaranteed only when equipment is requested for the start of the working day.

DO I NEED INSURANCE?

- Be sure your materials are insured from the time they leave your firm until they are returned after the show. It is suggested that exhibitors arrange all-risk coverage. This can be done by riders to your existing policies.
- All materials handled by Freeman are subject to the Terms and Conditions, which can be found in the exhibit service manual or online at www.freeman.com.

- Cranes

CUSTOMER GUIDELINES FOR SUBMITTING GRAPHICS ARTWORK

Our goal is to provide you with the best possible quality graphics for your event or exhibit. You can help us in that effort by providing digital art files using the following guidelines. If you are sending us completed, print-ready files, please pass the following information on to your graphics designer or art department. Artwork must be submitted in the proper resolution and/or file size to produce quality images. Please provide proper color matching information and proofs to ensure accurate color reproduction.

PLEASE PROVIDE THE FOLLOWING WHEN SUBMITTING ART

RASTER ART (photos, logos containing any continuous tone images):

- Art submitted at 1:1 (100%), resolution should be no less than 60 dpi (100 dpi preferred)
- Art submitted at 2:1 (50%), resolution should be no less than 120 dpi (200 dpi preferred)
- Art submitted at 4:1 (25%), resolution should be no less than 240 dpi (400 dpi preferred)

VECTOR ART:

- Logos should be vector and have outlined fonts (if provided as bitmap, please use high-res images)

FONTS and LINKS

- Supply all fonts used in your design (zip Mac fonts). If unsure how to collect fonts, convert them to outlines
- Supply all links used in your document. Use packaging feature if available. If unsure how to collect links, embed them in the file when saving.

COLOR

- If PMS color matching is required, please use original Pantone + Solid Coated swatches in your artwork. Modifying Pantone names will result in printing default color (CMYK)
- CMYK artwork will be produced "As Is". Our color output is balanced and vibrant.
- Convert RGB art to CMYK if possible.
- If you are sending Certified Color Proofs (Gracol, Swop, Fogra), please provide ICC file information used to print your samples. Best option would be to include ICC chart on your prints.

ARTWORK IN THE STRUCTURE

- Please note that any panels going in the metal frame will hide 1/4" of your art all the way around. If you have a continuous wall where individual panels are divided by metal, use 1.25" spacing in between each panel to account for gaps and the natural flow of the graphics.

ACCEPTABLE FILE SOFTWARE

We are capable of working with both PC and MAC based software, and can accept art created with the ADOBE Creative Suite - Illustrator, InDesign, and Photoshop

Always provide the following:

- Native files with fonts and links (zipped)
- High-res PDF-X/4 exports of the files

PRINT FILES:

- High-res PDF-X/4 (preferred)

RASTER OR BITMAP ART:

- Photoshop EPS (preferred, use 8-bit preview, Max, Quality JPG compression)
- PSD (make sure font layers are rasterized)
- TIFF, JPG (quality 8 and higher)

Mac users: Use Zip or Stuffit programs when submitting fonts other than OTF (Open Type Fonts)

EXHIBITOR AND OFFICIAL SERVICES CONTRACTOR INFORMATION

Show Management has selected Freeman to be the Official Services Contractor for your upcoming show. As the Official Services Contractor, Freeman has the responsibility for material handling and booth cleaning services. We hope this document will assist you in planning for your upcoming event.

Exhibitors should not give coffee breaks other than mid-morning and mid-afternoon when employees have a fifteen minute paid break. Any attempts to solicit a gratuity by an employee for any service should be reported immediately to a supervisor of Freeman. Freeman employees are paid an excellent wage and tipping is not an accepted company policy.

Freeman craftsmen at all levels are instructed to refrain from expressing any disputes or directly challenging the practices of any exhibitor. All questions arising with regard to the jurisdiction or practices must be directed to a FREEMAN management representative.

GENERAL TERMS AND CONDITIONS

These General Terms and Conditions apply to any proposal, quote, order and/or agreement relating to audiovisual, internet and/or related equipment ("Equipment") rented by Client from Encore, as well as any audiovisual, internet, production and/or related services or labor ("Services") provided by Encore. These General Terms and Conditions incorporate by reference any attached or related proposal, quote, order, schedule, contract, change of work order and/or commencement of work and shall constitute the entire agreement ("Agreement") between Encore and Client (individually "Party" and collectively, "Parties").

1. DEFINITIONS

For purposes of this Agreement, "Encore" means Encore, LLC and its employees, members, managers, officers, agents, assigns, affiliated companies, related entities and any subcontractors appointed by Encore. The term "Client" means the Client, its employees, officers, directors, managers, members, guests, invitees, agents, representatives and any Client Appointed Contractors ("CAC").

2. PAYMENT TERMS

Client agrees to pay Encore all charges in this Agreement, including any and all Equipment, Services and/or labor overages. Payment is due and payable in full upon signing this Agreement, unless Client has established a Master Account with the venue that includes Encore's Equipment and/or Services in which case all charges shall be billed to Client's Master Account pursuant to the terms set forth by the venue and due and payable to the venue upon conclusion of the event. Any direct bill or open account requires prior credit approval and may require a deposit prior to the start of the event. Any deposit received from Client shall be credited to the final invoice for the event. All invoices not paid in full within 30 days of the invoice date shall bear a finance charge at the lesser of the maximum rate allowed by applicable law, or 1.5% per month.

3. ESTIMATES AND CHARGES

In connection with this Agreement or any contract entered into between Encore and Client:

(a) Any estimate provided to Client in connection with the expected service hours, labor hours and/or number of days the Equipment is rented is solely an estimate. In the event the actual hours, actual quantities of Equipment rented hereunder or actual days the Equipment is rented is greater than the amount indicated in any proposal or quote, Client will be charged for those overages at Encore's standard rates, less any applicable discounts. A day's rental period is all or any portion of each 24-hour period starting at 07:00 and continuing through 06:59 the following day.

(b) Labor rates are based upon prevailing rates and practices at the particular venue location where the event is held. All labor estimates, rates and minimum labor calls are based on local venue rules and/or local union rules, as applicable.

(c) All Equipment and materials are on a rental basis for the duration of the event and shall remain the property of Encore, except where specifically identified as a sale.

(d) Unless specifically stated in the Agreement, the charges herein do not include any electrical charges that may be incurred or charged by the event facility due to the extent of the event's audiovisual requirements. Client may be charged for such electrical charges upon conclusion of the event.

(e) If Client is exempt from the payment of sales or other applicable tax, a tax exemption certificate must be submitted prior to the commencement of the event. If Client fails to timely submit an applicable tax exemption certificate, the sales or other applicable tax shall be due and payable at the time of final invoice.

(f) If applicable, a service charge or AV house charge is included to allow Encore to provide the necessary event support required to execute successful meetings and events including immediate on-site support, pre-event planning and preparation and coordination with our hotel partners. The entire service charge or AV house charge is for administrative costs and is not a gratuity in whole or part to employees of Encore or any other party.

4. DAMAGE TO EQUIPMENT

Client agrees that, prior to the beginning of the event, it shall have the right to review and inspect the Equipment with Encore personnel to confirm it is in good operating condition. Client shall immediately notify Encore if any Equipment is defective or not in good operating condition. Client's failure

to review or inspect the Equipment prior to the start of the event or notify Encore if the Equipment is defective or not in good operating condition shall be deemed an acknowledgment that the Equipment is in good operating condition. Client agrees to pay for all damages because of lost, damaged or stolen Equipment, including loss or damage caused by Client's accident, misuse or neglect, based upon repair costs for reparable Equipment or full replacement cost for lost, stolen or irreparable Equipment. However, should the Equipment listed on this Agreement be damaged, lost or stolen due to Encore's sole negligence, Encore shall be responsible for the repair or replacement of the Equipment. In no event will Encore be liable for any Client damages or loss caused, in whole or in part, by the loss, malfunction or damage to any Equipment.

5. SUBLEASE

With the prior written consent of Encore, Client shall have the right to sublease the Equipment and, in the event of a sublease, Client shall be fully responsible for all insurance on, repair and replacement of, and reclamation of the Equipment. Encore reserves the right to replace the Equipment at Client's expense at full retail value if the subleased Equipment is lost, damaged or untimely returned.

6. EQUIPMENT HANDLING/SURRENDER

All Equipment may only be handled and operated by Encore personnel unless authorized by Encore. Equipment may not be moved, stored or serviced by Client or any other party. Client agrees that Encore shall have the right to enter the premises where the Equipment is located and shall have access to the Equipment at all times for the purposes of set, strike, maintenance and routine checks. On the expiration or earlier termination of this Agreement, the Equipment shall be returned in good repair, condition and working order, subject only to reasonable wear and tear. If Client brings its own computer to be used for presentation purposes during the event, Encore recommends the computer be tested with the event Equipment to ensure compatibility.

7. CONDITION OF EQUIPMENT

Encore maintains and services the Equipment in accordance with manufacturers' specifications and industry practice. However, Encore does not provide any express or implied warranty for the Equipment or Services, including any warranty of fitness for a particular purpose or merchantability, and it does not warrant or guarantee that the Equipment, Services or labor being provided will be free of defect, malfunction or operator error. If the Equipment malfunctions or does not operate properly during the event for any reason whatsoever, Client agrees to immediately notify Encore's on-site representative. Encore will attempt to remedy the problem as soon as possible so that the event is not interrupted. Client agrees and acknowledges that Encore shall not be liable and assumes no responsibility for any loss, cost, damage or injury to persons or property in connection with or as a result of inoperable or malfunctioning Equipment or otherwise.

8. DAMAGE WAIVER

If elected by Client and included in this Agreement as an additional fee, Encore agrees to waive any liability of Client for loss or damage to the Equipment. This waiver will not apply if it is determined the loss or damage was intentionally caused by Client, in which case Client will be fully responsible for all such loss or damage.

9. INTERNET/NETWORK EQUIPMENT AND SERVICES

In the event this Agreement includes internet/network equipment and/or services, Client understands and agrees as follows:

(a) Every device connected to the internet/network must have a purchased IP address from Encore, regardless of whether the IP address is used or not;

(b) No servers or routers are allowed including, but not limited to, NAT, DHCP and proxy servers.

(c) Encore reserves the right to disconnect any equipment that, in Encore's sole discretion, is found to be causing overall network problems without any refunds for services that have been disconnected;

(d) Client agrees not to share, resell, extend, bridge or otherwise misuse Encore's connections and/or services. Encore, in its sole discretion, reserves the right to disconnect any Client found to have violated this Agreement or usage equipment without any refunds for services that have been disconnected;

(e) Specific service location is defined as the area in the booth/room or other area designated by the Client. Service extended beyond rooms, air

GENERAL TERMS AND CONDITIONS

walls, doorways, walkways or 50' distance from the drop point will require an additional location and incur an additional fee;

(f) Encore is not responsible for any cable and/or equipment provided by Client or any third party;

(g) The network may only be used for lawful purposes and in accordance with these terms and conditions. Transmission of any materials in violation of any local, state, federal or international laws or regulations is strictly prohibited.

This includes, but is not limited to, copyrighted materials, materials judged to be threatening or obscene, or materials protected by trade secrets;

(h) **WIRELESS (802.11) DECLARATION.** Wireless internet service is inherently vulnerable to interference from other devices that transmit similar radio frequency signals or that operate within the same frequency spectrum.

Encore cannot guarantee that interference will not occur. Encore does not recommend wireless service for mission critical services such as product presentations or demonstrations. For demonstrations or to present products and other mission critical activity via the internet, Encore highly recommends Client purchases hardwired services such as a Room/Booth Connect or Event Connect. If you are unsure which product best suits your needs, please contact Encore's on-site representative.

(i) **ALL WIRELESS ACCESS POINTS NOT AUTHORIZED BY ENCORE ARE PROHIBITED.** Client provided access points are prohibited for use within the event facility without Encore's prior approval. Wireless access points without adjustable power outputs are prohibited under all circumstances. If a Client wishes to showcase its wireless products, it must contact Encore at least 14 days prior to the start of the event so that Encore may attempt (with no guarantee) to engineer a cohesive operating network that limits or controls interference. Approvals may incur a site survey fee.

10. CANCELLATION

Unless otherwise agreed to in writing, if Client cancels the scheduled event more than 30 days prior to the start of the event, Client will not be charged any cancellation fee, except for any out of pocket expenses incurred by Encore. In the event of a full or partial cancellation less than 30 days, but more than 72 hours, prior to the start of the event, Client shall pay Encore 50% of the price set forth in the Agreement, plus any out of pocket expenses incurred by Encore. In the event of full or partial cancellation less than 72 hours prior to the start of the scheduled event, Client shall pay Encore 100% of the price set forth in the Agreement. **ALL CANCELLATIONS MUST BE MADE IN WRITING AND RECEIVED BY ENCORE'S ON-SITE REPRESENTATIVE BEFORE BECOMING EFFECTIVE.**

11. CLIENT MATERIAL HANDLING

Unless this Agreement includes or contemplates Encore's handling of Client's materials, Client shall not ask Encore to handle or assist in handling Client's materials and Encore assumes no responsibility for loss, damage, theft or disappearance for any such materials. In the event Encore handles Client's materials as part of this Agreement, Encore's maximum liability for loss or damage to such materials and Client's sole and exclusive remedy is limited to \$.50 (USD) per pound per article with a maximum liability of \$100.00 (USD) per item, or \$1,500.00 (USD) per shipment, whichever is less. All shipment weights are subject to correction and final charges determined by the actual or re-weighed weight of the shipment.

12. DEFAULT

If Client fails to pay rent or otherwise fails to observe, keep or perform any provision of this Agreement, or if Client should enter into voluntary or involuntary bankruptcy or receivership or other legal impediment that could impair the Equipment, Encore shall have the right to:

(a) Immediately reclaim the Equipment and declare the entire amount of rent immediately due and payable without demand or notice to Client. Client waives any damages occasioned by such reclamation. Any reclamation shall not constitute a termination of this Agreement unless Encore expressly notifies Client in writing;

(b) Sue to recover all amounts owed or accruing to Encore;

(c) Terminate this Agreement as to any or all items of Equipment or Services and recover the full price of the Agreement; and/or

(d) Exercise any other remedy at law or equity. All such remedies are

cumulative and may be exercised concurrently or separately. The exercise of any remedy shall not release Client from this Agreement and Client shall remain liable for the full performance of all obligations to be performed by Client under this Agreement.

13. GOVERNING LAW AND VENUE

Any and all claims, actions, disputes or controversies arising out of or related to this Agreement shall be governed by and construed in accordance with the laws of the State of Nevada, without regard to conflict of laws provisions.

Any and all claims, actions, disputes or controversies arising out of or related to this Agreement shall be litigated only in the appropriate state or federal court situated in Clark County, Nevada. The Parties submit to the exclusive jurisdiction and venue of such courts for purposes of any such action and the enforcement of any judgment or order arising therefrom. Each Party further waives any right to a change of venue or any objection to the jurisdiction of the state and federal courts located in Clark County, Nevada.

14. ATTORNEYS' FEES AND COSTS

In the event of any dispute or action related to or arising out of this Agreement, the prevailing Party shall be awarded reasonable attorneys' fees and costs, court costs, Equipment recovery costs and storage charges.

15. INDEMNIFICATION

Client agrees to fully defend, indemnify and forever hold harmless Encore from and against any and all claims, causes of action, fines, penalties, damages, liabilities, judgments and expenses (including, but not limited to, attorneys' fees and costs) arising from Client's and/or CAC's: (a) negligence or willful misconduct; (b) violation of any applicable federal, state or local law or ordinance; (c) violation of any show or event rule, policy or regulation published or set forth by the show or event venue; and/or (d) copyright, patent or other intellectual property infringement including, but not limited to, any and all claims related to Encore's use of materials, recordings, videos, transmissions, software, and/or hardware provided by Client.

16. LIMITATION OF LIABILITY

In no event will Encore be liable to Client or any other party for any special, exemplary, incidental or consequential damages (including, but not limited to lost profits, earnings, use or data), whether in contract, tort or otherwise.

17. FORCE MAJEURE

The Parties' performance under this Agreement is subject to war, threat of war, terrorism, disasters, acts of God, government regulations, strikes, labor disputes, civil disorder, curtailment of transportation facilities, or any other emergency of comparable nature beyond the Parties' control, making it impossible, illegal or materially impractical to perform its obligation under this Agreement and which requires the event to be postponed or cancelled ("Force Majeure Event"). Both Parties agree that, if possible, the event that is the subject of this Agreement will be rescheduled at the first available opportunity suitable for each Party. In the event the Parties are unable to reschedule due to a Force Majeure Event, this Agreement may be terminated upon reasonable written notice without a cancellation charge as set forth herein, except that Encore shall be entitled to reimbursement of all actual costs incurred and actual services rendered pursuant to this Agreement.

18. SEVERABILITY

In the event that any provision of this Agreement shall be unenforceable or inoperative as a matter of law, the remaining provisions shall remain in full force and effect and be construed as though such unenforceable or inoperative provisions had never been a part of this Agreement.

19. SURVIVAL

All provisions of this Agreement related to indemnification, disclaimers and limitations on liability and all other obligations of the Parties that arise in connection with Encore's provisions of Equipment and/or Services survive the termination of this Agreement.

20. ENTIRE AGREEMENT

This Agreement contains the Parties' entire understanding and may not be modified except in writing signed by both Parties.
